Dental Insurance Agreement

We are happy to help you file your insurance claims to receive the dental benefits which your employer and you are paying premiums. Dental benefit plans can vary from company to company with different procedures covered or not covered. Insurance companies base the amounts that they will pay toward your dental treatment on restricted fee schedules related to premium payments and geographical location. Meaning your insurance plan will pay only what it allows for each service, regardless of what the actual fee is. Deductibles and co-payments are typically built in to most plans and their required payment is strictly regulated by state law. Your Employee Benefits Director can usually help you become familiar with your plan and any restrictions that may apply. Our office is happy to assist you in maximizing your benefits.

We agree to:

Complete your insurance claim forms and submit them to your carrier for you after treatment in our office.

Use current American Dental Association coding for correct reporting of procedures.

Accept direct payment from your carrier and keep track of balances.

If necessary, re-file your insurance a second time.

Your responsibilities as a patient:

To pay fees not covered by your plan at the time of treatment.

To provide our office with necessary information concerning your insurance coverage to allow correct filing of claims.

To understand that your plan is a contract between you and your employer and the insurance carrier. Our office will do all we can to facilitate claims payment, but we do not have the power to make your plan pay.

To pay any account balance not paid by insurance.

We thank you for choosing our office and will do all we can to help you maximize your benefits for the year. The information you have provided will help us serve your dental healthcare needs more effectively and efficiently. If you have any questions at anytime, please ask – we are always happy to help. We will keep one copy in your chart and will give you a copy for your records upon request.

I hereby authorize payment directly to the dental providers from my dental insurance company. I understand that I am ultimately responsible for all costs of dental treatment. I grant the right to this office to provide information to my insurance company regarding my dental treatment. I also authorize the dentist to release any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such Dental care to other health practitioners.
